School District and Community

Millennium High School is part of a four charter school complex ranging in grades Pre-Kindergarten to 12 referred to as the Tracy Learning Center. The total enrollment for 2016-17 is 1,278 students. Tracy is a diverse community of approximately 85,000 people centrally located to the San Francisco Bay Area and Sacramento. The ethnic makeup of our student population is: 46% Hispanic, 26% White, 8% African American, 9% Asian, and 19% Other.

History

The Tracy Learning Center vision encompassed a continuous educational program for students Pre-K - 12. The original idea was to present a new and fresh approach to education that would personalize the learning process and bring greater depth and understanding using technology, broad based curriculum planning, and interactive projects. The Tracy Learning Center began in 2001 with Discovery Charter School in grades 5 and 6 and progressed to include grades 7 and 8. Three years later, the Tracy Learning Center began Primary Charter School which now includes grades TK to 4. Primary Charter Preschool was added in 2015.

Charter Status

The original charter for Discovery was approved by the Tracy Unified School District in 2001 and renewed in April of 2016. The charter for Millennium High School was renewed in 2014 by the same board for an additional five year term.

School

Millennium High School, the fourth school in the Pre-K - 12 continuum, opened in 2004 with freshmen and has added a class each year. For the 2016-17 school year the enrollment is 546 students and a staff of 27 teachers, two counselors, and a counseling assistant. The student to faculty ratio is 18:1. The school year is 205 days including a mandatory five week summer program. The focus of the high school is to fully prepare students for a successful life beyond high school which includes: academic preparation for higher education, career exploration including an internship, and a social commitment through a 200 hour community service requirement.

ACADEMICS: 2016 – 2017

There are three educational course sequences for students to follow that all lead to some form of higher education: Early College, College Prep, and Community College or Vocational Training preparation. Early College pathway students are expected to begin taking college classes by the summer of their tenth grade year. They have experience learning in a college classroom environment. They have demonstrated their readiness for college. This pathway provides more time for college classes than the College Prep pathway which includes students who are following a more traditional college prep high school program. **Millennium does not offer AP, IB, or Honors courses. Rather, we encourage students on track to graduate to take classes at a local community college through a reduced schedule in their junior and senior year and full tuition reimbursement for successfully completed coursework.** Juniors and seniors take a minimum of four courses which can include college classes. Students earn 5 credits for passing each semester course at Millennium. They earn 10 elective credits for each community college course successfully completed. College prep courses have been approved by the University of California Articulation Department. Technology is used for research, presentations, and writing in all classrooms. Project based learning is part of all curriculum areas for all pathways.

Graduation Credit Requirements (245 credits)

- English - 40
- Mathematics – 40
(Including Alg. 1)
- Social Studies – 35
- Fine Art – 10
- Economics – 5
- Foreign Language – 0
- Science – 30
(Biology, Chemistry, other)
- Life Skills (9th Grade) – 10
- Career Education (11th grade) - 10
- Physical Education – 20
- Electives – 40
- Senior Internship - 5

Millennium Course Selection

English: English 1P, 2P, 3P, and 4P

Mathematics: Conceptual Math, Intro to Algebra, Algebra 1, Geometry, Algebra 2, Pre-Calculus, Calculus and Finance Math (not college prep)

Social Studies: Geography, World History, U.S. History, American Government/Economics

Science: Intro to Biology (not college prep), Biology, Chemistry, Forensic Science, Earth Science

Fine Arts: Art, Advanced Art, Drama, Beginning Band, Marching Band

Language Other Than English: Spanish 1, 2, and 3 and American Sign Language 1 and 2

Electives: Technical Construction, Computer Programming, Academic Competition, Comprehension and Composition for English Language Learners, and Leadership (**Note:** these electives are not meant to be college preparatory, but rather for enrichment. Most college bound students do not take these electives, but instead take the Foreign Language and Community College courses.)

Additional Courses: Life Skills, Physical Education, Career Education, Senior Internship Seminar

Grading/Class Rank

- Students must earn a C- or better in order to receive credit for a class
- D's & F's receive no credit
- Class rank is determined by the Grade Point Average (GPA) of all high school credit courses taken through the end of junior year
- Millennium weights grades for the Academic Competition class and college courses
- All college courses are included on student transcripts and are factored into their GPA

College Credit Earned

Students pursuing a more rigorous course load take advantage of the opportunity to attend classes at the community college. Below is a table showing the average number of credits earned:

Graduating Class	Size of Class	% Taking College Classes	Avg # Credits Earned
2011	87	68%	15
2012	104	51%	14
2013	81	46%	14
2014	104	42%	15
2015	104	48%	13
2016	101	43%	20

SAT Five-Year Average Comparison Chart

Year	2011	2012	2013	2014	2015	2016	2015 Nat'l Mean (most recent released)
Critical Reading	480	458	441	516	515	515	495
Math	483	463	456	500	510	515	511
Writing	471	457	447	495	525	525	484

Graduates:

42% of the graduating Class of 2016 plan to attend a four-year degree granting institution while 50% plan to attend a 2-year community college or technical school. Students were accepted to the following institutions:

Abilene Christian University	Northern Arizona University
Arizona State University	Northwest Nazarene University
Avila University	Northwestern University
Azusa Pacific University	Ohio Northern University
Biola University	Pacific Lutheran University
Boise State University	Pacific University
Boston University	Saint Mary's College
Cal Lutheran University	San Diego State University
California Baptist University	San Francisco State University
California State Polytechnic University, Pomona	San Jose State University
California State Polytechnic University, San Luis Obispo	Santa Clara University
California State University, Chico	Sonoma State University
California State University, Chico	Southern Oregon University
California State University, East Bay	University of Antelope Valley
California State University, Fullerton	University of California, Berkeley
California State University, Long Beach	University of California, Davis
California State University, Monterey Bay	University of California, Irvine
California State University, Sacramento	University of California, Los Angeles
California State University, Sacramento	University of California, Merced
California State University, Stanislaus	University of California, Riverside
Concordia University	University of California, San Diego
Fashion Institute of Design & Merchandising	University of California, Santa Barbara
Florida Memorial University	University of California, Santa Cruz
Fresno State University	University of Laverne
Grand Canyon University	University of Montana Western
Greenville College	University of Oregon
Harris-Stowe State University	University of Redlands
Hawaii Pacific University	University of Texas at Tyler
Humboldt State University	University of the Pacific
Langs University	Whittier College
Lawrence Technological University	Willamette University
Linfield College	William Jessup University

Athletics

Millennium is a member of the California Interscholastic Federation (CIF) and provides a wide variety of athletic opportunities for students including the following Varsity Sports:

- **Boys-** Football, Baseball, Basketball, Golf, Soccer, Cross Country, Track
- **Girls-** Softball, Basketball, Soccer, Golf, Volleyball, Cross Country, Cheer, Track

Championships:

- **Central California Athletic Alliance/Harvest Christian League**
