# Community Service Fair

◦ Every year in October Millennium High School hosts a community service fair where we invite non-profit organizations to come to meet our students.

◦ Over 25 organizations provide our students opportunities to sign up in person for community service opportunities.

## Responsibilities of Students

Reliable

Organizations are counting on your help!

Community Partnerships

Represent the school in a positive light that will lead to future opportunities for the future falcons!

If a student fails to show up or gets a bad report they will receive their first warning. If it happens again you can no longer sign up with us and it is now your responsibility to find your own community service opportunity.
